

**Contributions to the European Population Conference in Edinburgh (UK), June 12-15, 2024. Authors: PhD student Elizaveta Ukolova, Trifon I. Missov, Postdoc Cosmo Strozza and Associate Professor Silvia Rizzi (with a co-author).**

The biennial European Population Conference (EPC), held at the University of St Andrews in Edinburgh, Scotland, is the largest and most important scientific meeting of European demographers. Mortality and morbidity research is one of the central topics at EPC, accounting for at least 30% of all accepted submissions.
